OUTDOOR RADIANT TUBE HEATERS

EXTENDING THE PATIO EXPERIENCE

Comfort meets Efficiency! · Outdoor Radiant Tube Heaters

# evenTUBE

OUTDOOR RADIANT TUBE HEATERS

COMFORT  
meets  
EFFICIENCY!

## Benefits

EvenTUBE heaters deliver long, even heat to large outdoor living spaces while maintaining a sleek, enhanced appearance. Used alone or in combination with the EvenGLO® Radiant Patio Heater, the optimum heat pattern can be custom designed specifically for your unique space and conditions.
